Instructional Activities Policy

I grant my permission for my son/daughter to participate in “Instructional Activity Trips” and “School Activity Trips” that are planned and supervised by faculty members of The University of Winnipeg Collegiate for the academic year.

An **instructional activity trip** is a class excursion away from the school, under the supervision of a teacher that is an extension of the class room instructional program.

A **school activity trip** is an excursion away from the school, under the supervision of Administration and Faculty, involving the entire student body.

The Collegiate is not responsible for any claims and/or costs if an injury occurs to your son/daughter on field trips.

By your signature on The Collegiate application, you provide consent to your son/daughter to participate in Instructional and School Activity trips, and allow the supervising teacher authority to act on your behalf and seek medical attention for your child if it is deemed necessary.
